

Brunswick Acres Elementary School

After School Program : Feb 4th - Mar 11 (every Thu - Virtual)

Age group : 7+ | No prerequisites, only willingness to learn | 4 PM - 5 PM

Register @ <http://bit.do/cnbaroblox> | \$ 120 for 6 sessions

CLICK HERE TO REGISTER FOR ROBLOX

In this program, students learn the basics of building and creating in Roblox (a family-friendly, user-generated on line gaming platform). In Roblox, students can create much more than just a game. Every student will design, plan, and build their own 3D world!

Play & Program with

Age group : 9 + | No prerequisites, only willingness to learn | 5 PM - 6 PM

Register @ <http://bit.do/cnbpython> | \$ 120 for 6 sessions

CLICK HERE TO REGISTER FOR PYTHON

Build an awesome game using Python programming language and share it with the world. Great way to learn the language that is being heavily used by Google and Facebook for machine learning and artificial intelligence.

Age group : 6+ | No prerequisites, only willingness to learn | 5 PM - 6 PM

Register @ <http://bit.do/cnbagbc> | \$ 95 for 6 sessions

CLICK HERE TO REGISTER FOR GBC

Students will use code blocks and characters to gain a foundation in computational thinking, creating their own video games. Bright visuals and engaging design enhance the learning process, making it easy to develop essential STEM skills for our tech-driven world.
