

BAS PTO Newsletter-

January 2021- Winter Issue

Happy New Year!

Everyone always asks me what does the PTO do?
So here is some of what we do.

*PTO ran a SAVE AROUND Coupon Book Sale in October as a welcome back to school. Unfortunately, sales were very low this year which was expected due to COVID. We hope it's more successful next year.

*PTO hosted an At-Home Family walkathon in October to promote physical fitness. Traditionally, this fundraiser provides funds for any technology needs that Mrs. Ta may request. Mrs. Ta has requested several Document Cameras for this year. We are happy to provide! Our winners this year are Conner in 3rd grade and Luke in 5th grade. Thank you for your supporting your school!

***-Join us now for these fun events:
Family Fun Night has a different look this year!
Go to Konstella to check out Brush and Board kits that
we will be doing together on zoom.***

-Readathon is cancelled.

-Junior Chef is started January 21st.

-Join us for a virtual PTO meeting on February 9th!

*PTO hosted a Virtual Scholastic Book Fair in October which was a very nice way to continue the school year as much as normal.
Books were shipped right to home.
Our teachers get commission for book for their classroom based on student sales.
Thank you so much to all those who participated!

*PTO invited FireFly Tennis to host a fall season in October.
We had 8 students from the upper grades (3-5) participate!
The weather was great and they had a blast.
Make sure to see their pictures in the yearbook!
During the traditional school year, FireFly Tennis is also able to provide financial assistance for all those who need it.
Firefly Tennis also provides BAS PTO with a commission check for each season.
FireFly Tennis Summer Camp TBD.

*Our Teacher Grant Program started in November and we are ready to take more teacher requests.
PTO has paid for the 5th grade science trip.
PTO is currently fulfilling reimbursement requests for Ms. Sciaraffo /Ms. Nicola and Mr. Botello.

Volunteers always needed. Contact baschool.pto@gmail.com

*Please don't forget to that you can help the American Cancer Society by donating old clothing items at school. This clothing bin provides a monetary donation to the PTO monthly.
