## Title 1 School-Parent Compact 2014-2015

The school-parent compact described below outlines how the parents, school staff and students will share the responsibility for improved student academic achievement.

The school will:

1. Provide high quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards by implementing district approved scientifically researched curriculum and having highly qualified teachers in every classroom.
2. Hold parent-teacher conferences at least two times a school year.
3. Provide parents with frequent reports on their children's progress. Review Individual Action Plans (IAP) with parents. Report cards for students in grades K-2 will be sent home two times a year, while grades 3-5 report cards will be distributed three times each school year as noted in the school calendar and progress reports. Grades 6-12 will use Family Connect (Power School Parent & Student Portal) to access grades and academic progress. Results of New Jersey State Assessments will be sent to parents.
4. Parents may contact staff by calling the main office or emailing the teacher directly. The main office will connect you to a teacher's voicemail. The teacher's email address can be located on the school's website.
5. Parents may volunteer in their child's class. Opportunities to participate in the classroom activities can be arranged by contacting the teacher directly.

We, as parents will support our children's learning in the following ways:

1. Make every effort to get my child to school on time every day.
2. Make sure that homework is completed and materials for the next day are ready.
3. Notify the teacher when my child is having difficulty.
4. Participate in activities related to my child's education. (Examples: Back to School Night, Workshops)
5. Promote positive use of my child's extracurricular time.
